Rachel Khanna Endorsed by Connecticut Independent Party

SEPTEMBER 3, 2024—GREENWICH, CT: Rachel Khanna, incumbent candidate for state representative -149th district, today announced she has earned the endorsement of the Connecticut Independent Party. As the endorsed candidate for both the Democrats and Independents, Khanna's name will appear on two lines on the November ballot.

"I am honored to receive the endorsement of the Connecticut Independent Party," said Khanna. "We share a common commitment to fiscal responsibility and working to create an economically vibrant Connecticut, where all have the opportunity to thrive. This endorsement reflects my accomplishments over the past two years and continued commitment to representing all residents in the district - across parties."

Notably, Khanna previously garnered the Independent Party endorsement in the 2022 election. There are approximately 270 registered Independents in the 149th district, a number that can make a difference in a competitive race.
